

API ACCESS AND INTEGRATION AGREEMENT

CONFIDENTIAL - FOR REVIEW PURPOSES ONLY

This Agreement is entered into as of April 14, 2025 between:

Party A: FinanceOS Platforms Ltd. ("Client")

Party B: AppBuilder Technologies Pvt. Ltd. ("Vendor")

collectively referred to as the "Parties".

1 API ACCESS

1.1 Provider grants Developer non-exclusive access to the FinanceOS API for development and commercial deployment.

1.2 Provider may revoke API access at any time without notice and without liability to Developer.

1.3 API access shall not be revoked without 90 days notice except in cases of security breach.

2 DATA USAGE

2.1 Developer may access financial transaction data solely for enabling features within Developer's application.

2.2 Provider may access, analyse, and monetise all transaction data flowing through Developer's API integration.

2.3 Provider's access to transaction data is limited to security monitoring and service improvement only.

3 SLA AND UPTIME

3.1 Provider commits to 99.9% API uptime measured monthly, with service credits for shortfalls.

3.2 Provider makes no representation or warranty regarding API availability and excludes all liability for downtime.

3.3 Service credits shall be Developer's sole remedy for SLA breaches, capped at one month's fees.
